AUSTRALIAN FAMILIES DO NOT HAVE SERVANTS. All family members work together in the running of the home. Housework is shared between all family members. The student is responsible for keeping their room clean, assisting in light house duties and doing their own laundry.

- I will respect all the rules of the homestay and ensure that I understand the homestay rules.
- I will inform the host of my whereabouts.
- I will inform my host in a timely manner if I will not return home for meals.
- I will contact my host if I will be home late.
- I will ask permission from my host if I want to invite friends over.
- I will not buy foods and store in my room without asking permission first (this may attract rodents and ants). Food should be stored in the kitchen only.
